4 *b0476/1.1* “**SECTION 4d.** 13.101 (6) (a) of the statutes, as affected by 2007
5 Wisconsin Act (this act), is amended to read:

6 13.101 (6) (a) As an emergency measure necessitated by decreased state
7 revenues and to prevent the necessity for a state tax on general property, the
8 committee may reduce any appropriation made to any board, commission,
9 department, or the University of Wisconsin System, or to any other state agency or
10 activity, by such amount as it deems feasible, not exceeding 25% of the
11 appropriations, except appropriations made by ss. 20.255 (2) (ac), (bc), (bh), (cg), and

14 purposes under s. 20.370 (1), or any other moneys distributed to any county, city,
15 village, town, or school district. Appropriations of receipts and of a sum sufficient
16 shall for the purposes of this section be regarded as equivalent to the amounts
17 expended under such appropriations in the prior fiscal year which ended June 30.
18 All functions of said state agencies shall be continued in an efficient manner, but
19 because of the uncertainties of the existing situation no public funds should be
20 expended or obligations incurred unless there shall be adequate revenues to meet the
21 expenditures therefor. For such reason the committee may make reductions of such
22 appropriations as in its judgment will secure sound financial operations of the
23 administration for said state agencies and at the same time interfere least with their
24 services and activities.”.

1 13.48 **(36)** HMONG CULTURAL CENTER. (a) The legislature finds and determines
2 that a significant number of Hmong people are citizens of this state, that the Hmong
3 people have a proud heritage that needs to be recognized and preserved, and that the
4 Hmong people have experienced difficulties assimilating in this state. The
5 legislature finds that supporting the Hmong people in their efforts to recognize their
6 heritage and to realize the full advantages of citizenship in this state is a statewide
7 responsibility of statewide dimension. Because it will better ensure that the heritage
8 of the Hmong people is preserved and will better enable the Hmong people to realize
9 the full advantages of citizenship in this state, the legislature finds that it will have
10 a direct and immediate effect on a matter of statewide concern for the state to
11 facilitate the purchase or construction and operation of a Hmong cultural center.

12 (b) The building commission may authorize up to \$2,000,000 in general fund
13 supported borrowing to make a grant to an organization designated by the secretary
14 of administration that represents the cultural interests of Hmong people for
15 purchase or construction of a Hmong cultural center in Dane County. Before
16 approving any state funding commitment for the purchase or construction of the
17 center and before awarding the grant, the building commission shall determine that
18 the organization has secured additional funding commitments of at least \$2,500,000
19 from nonstate revenue sources for purchase or construction of the center. Before
20 awarding the grant, the organization shall submit to the building commission and
21 the commission shall review and approve an initial budget and business plan for the
22 operation of the center that is acceptable to the commission. As a condition of
23 receiving the grant, the organization must enter into an agreement with the
24 secretary guaranteeing that the center will be operated to serve the nonsectarian
25 cultural interests of the Hmong people.

1 (c) If, for any reason, the facility that is purchased or constructed with funds
2 from the grant under par. (b) is not used as a Hmong cultural center in Dane County,
3 or the center is not operated to serve the nonsectarian cultural interests of the
4 Hmong people, the state shall retain an ownership interest in the facility equal to the
5 amount of the state's grant."

7 ***b0353/1.1* "SECTION 9nx.** 13.48 (38) of the statutes is created to read:

8 13.48 (38) CIVIL WAR EXHIBIT AT THE KENOSHA PUBLIC MUSEUMS. (a) The
9 legislature finds and determines that the Civil War was an event of unequalled
10 importance in the historical development of the United States; that Wisconsin
11 citizens fought bravely and valiantly in assisting the Union to achieve victory in the
12 Civil War; and that the study of the Civil War will deepen our understanding and
13 appreciation of the history of the United States and of Wisconsin. It is therefore in
14 the public interest, and it is the public policy of this state, to assist the Kenosha
15 Public Museums in the construction of facilities that will be used for a Civil War
16 exhibit.

17 (b) The building commission may authorize up to \$500,000 in general fund
18 supported borrowing to aid in the construction of a Civil War exhibit as part of the
19 Kenosha Public Museums in the city of Kenosha. The state funding commitment
20 shall be in the form of a grant to the Kenosha Public Museums. Before approving any
21 such state funding commitment and before awarding the construction grant, the
22 building commission shall determine that the Kenosha Public Museums has secured
23 additional funding at least equal to \$2,000,000 from nonstate donations for the
24 purpose of constructing a Civil War exhibit.

1 (c) If the building commission authorizes a grant to the Kenosha Public
2 Museums under par. (b) and if, for any reason, the facility that is constructed with
3 funds from the grant is not used as a Civil War exhibit, the state shall retain an
4 ownership interest in the facility equal to the amount of the state's grant."

7 13.48 (36p) BOND HEALTH CENTER. (a) The legislature finds and determines
8 that improving the health of the citizens of this state and increasing access to health
9 care in this state is a statewide responsibility of statewide dimension. In addition,
10 the legislature finds and determines that the Bond Health Center in the city of
11 Oconto plays a vital role in improving the health of the citizens of this state and is
12 a quality health care facility. The legislature, therefore, finds and determines that
13 assisting the Bond Health Center in the city of Oconto in expanding a health care
14 facility will have a direct and immediate effect on this state responsibility of
15 statewide dimension.

16 (b) The building commission may authorize up to \$1,000,000 in general fund
17 supported borrowing to make a grant to the Bond Health Center in the city of Oconto
18 for construction costs related to hospital expansion. Before approving any state
19 funding commitment for construction costs relating to the hospital expansion and
20 before awarding the grant, the building commission shall determine that the Bond
21 Health Center has secured all necessary additional funding commitments from
22 nonstate revenue sources for the expansion.

(c) If, for any reason, the facility that is expanded with funds from the grant under par. (b) is not used as a hospital, the state shall retain an ownership interest in the facility equal to the amount of the state's grant."
